Northwest Promotional Marketing Association

Dear Northwest Promotional Marketing Association,

I am extremely honored and grateful to be selected as the 2018 recipient of the NWPMA Success Scholarship. Your generosity, combined with the generosity of the Promotional Products Education Foundation, will not only make the cost of attending university more affordable, but it will allow me to save for medical school in the future.

This fall, I will begin as a freshman at the University of Washington in Seattle. As I start this new and exciting chapter in my life, I am reminded of the roles that my family, friends, educators, and donors such as yourselves have played in helping me to achieve my goals. Such kindness has inspired me to continue my tradition of hard work and dedication as I work to achieve bachelor's degrees in both Neurobiology and Business. Moreover, your generosity represents a chance to reunite my family, as my father has lived and worked in Washington since October of 2012.

Since I was a child, I have always had a passion for helping others. Your generous donation of \$1,000 reaffirms to me that this same passion exists within the promotional products industry. Your support has strengthened my desire to become a doctor and to help others just as you have helped me. I am eternally grateful for your kindness and the opportunity you have given both my family and me.

Sincerely,

Neha Wadhvana
